

## Kansas MIECHV CQI ASQ Resources

The following are a collection of resources related to ASQ-3 administration, as well as the follow-up with families after you have completed an ASQ-3 screening. We have included selected resources that might be particularly helpful to you here, but as you explore the links below, you will likely find additional resources. Many sources of ASQ-3 are generally found at <https://agesandstages.com/>

### *ASQ Screening Navigator*

This Screening Navigator is your step-by-step guide to the big picture of developmental screening, from planning and implementing a successful program to monitoring results and fine-tuning trouble spots. Choose any step on the Screening Navigator as your entry point for free tools and resources specific to your daily work. Or explore the entire Navigator from the beginning to get a comprehensive walkthrough of the whole screening process—and see how your work contributes to your program's success.
